samsonhomes.co.uk/olympus

Olympus House is nestled in-between East Ham and Upton Lane and is perfectly positioned near East Ham's main shopping centre where there are branches of High Street chains like Lidl, Wilko, Argos, Primark and Sainsbury's.

East Ham and Upton Lane have a wide selection of Asian grocers, many with impressive displays of fruit and vegetables, Indian sweets and cake shops, cafés and restaurants notably vegetarian Vasanta Bhavan and Thattukada, specialising in Keralan food.

*Computer generated images for illustrative purposes only.

*Computer generated images for illustrative purposes only.

Sought-after location in walking distance to Upton Park underground station (District Line and Hammersmith & City Line).

Upton Parktube Station

UPTON PARK

Upton Park station is just a brief ten minute walk from Olympus House, providing access to the central line and speedy connections to the rest of the capital.

Just 10 Minutes

By Road

Olympus House is close to A406. This is a perfectly placed near the motoway network including the M11 for Stansted Airport or the M22.

By Bus

Upton Park / Priory Road towards Forest Gate or Plaistow

Bus routes near Olympus House includes No 5, 58, 115, 147 and N15 all of them service this route 24/7.

Leisure & the arts

Red Door Studios tucked away in Masterman Road at the back of 120 High Street South runs artists' studios, classes, events and pop-up cafes.

East Ham Leisure Centre in Barking Road has the local council-owned swimming pool.

Open Space

Central Park is a ten minute walk and has a children's playground, bowling green, tennis courts, history trail and a café. Plashet Park in Plashet Grove has a children's playground, bowling green, tennis courts and cricket nets.

Educational Institution

Primary School

With one exception all of East Ham's state primary schools are rated "good" or better by Ofsted.

Those rated "outstanding" are: Cleves in Arragon Road; Kensington in Kensington Avenue; St Stephen's in Whitfield Road; Brampton in Brampton Road; St Winefride's RC in Church Road; St Edward's RC in Green Street and Shaftesbury in Shaftesbury Road.

Comprehensive

The comprehensive schools rated "outstanding" are: Plashet (girls, ages 11 to 16) in Plashet Grove; Little Ilford (co-ed, ages 11 to 16) in Rectory Road; Brampton Manor (co-ed, ages 11 to 18) in Roman Road; St Angela's Ursuline RC (girls, ages 11 to 18); Forest Gate (co-ed, ages 11 to 16) in Forest Lane; and St Bonaventure's (boys, ages 11 to 18) in Boleyn Road, the last three being in Forest Gate.

Higher Education

Newham College (co-ed, age 16-plus) has one of its two main campuses in High Street South which includes the Samsung Digital Academy.

Newham Collegiate Sixth Form Centre – known as The NCS (co-ed, ages 11 to 18) is a selective Free School which opened in 2014 in a listed Edwardian building in Barking Road and has not yet been inspected by Ofsted.

Customize your property

Built to last, building beautifully designed new homes for the past decade, in prime locations nationwide and internationally, Samson Homes is proud to be the one of the UK's inspirational house builders, committed to the highest standards of design, construction and service. Samson Homes take their environmental responsibilities very seriously and are passionate about designing homes that are sensitive to the environment in which they are built.

Our mantra is "people remember those who help them achieve impressive results" and we live by it. Samson Estates is part of a large dynamic group of businesses all ranging around the property and property investments sector.

Currently they are a leading expert in the estates sector, managing land transactions, several hundred properties and conducting JV structures with international property investors.

Being part of the Samson Group, Samson Space have been able to inherently develop as a practice of Planning Consultants, Architects, Designers and Structural Engineers with a reputation for creating attractive, contemporary architecture. The practice's projects are broad undertaking housing and commercial developments across the country. Our aims are always to maximize growth and make the best use of each and every opportunity. Having experience in conservation areas, conversions and new builds enables us to produce effective proposals for each and every site.
